Dear Folks

Hope everything is fine back home. Everything is swell over here. Weather is now a little warmer. Guess baseball is in the air back home. It won't belong before we will be playing ball. Sure am going to miss seeing that opening game. First time in quite a few years that I will not be present. But we must get the war over with first. Hope everybody is well back there, guess most of the fellows must be in by now probably the girls will be getting dusted before it is all over. Received a letter from Jenny O'Connell a few days ago he is still the same old card, heard from Agnes two weeks ago also.

Pretty dead tonight, am writing from our Red Cross Club, am writing a letter or two with my buddie Frank, he is the one I told you all about. He lives right in the heart of New York. He is the finest kid I ever knew & know you will like him. He sure is a good scraper. Just like the kind that come out of Hardy.

Guess that I will go long for tonight. Hope to hear from you. Tell Dad to take in a game or two for me.

Love
Dick
